February 16th, 2020 (Year A)

A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.

From the Rector's desk:

One of the great strengths of the Anglican Church over the centuries is its structural ability to meet together. It places much emphasis on the importance of meeting together in counsel, as the people of God, to shape the ministry and mission of the whole church. This is so important as we stress the reality that the most important ministry of the church is that of *the Priesthood of all baptized believers*. The Church has the important ministries of bishops, priests and deacons to give leadership, however, these ministries must exist to support and encourage the ministry of lay people. Consider for a moment our own parish of St. Philip's, imagine if everything had to be done by one, two or three ordained people, and all the lay people did nothing but turn up on a Sunday morning, what would be the consequence? The most obvious answer is that very little would get done, and resources for ministry within the parish and mission in the broader community would be nearly impossible to do. Thank God we have such a large number of active people in our parish working diligently each week to ensure our parish remains healthy and vibrant. The church has existed in the community and thrived because of those who have exercised their ministry down through the years. We live in an age where it is increasingly difficult to attract volunteers in the ministry of the church and other charitable causes. We see this each year as we prepare for annual meetings and elect wardens and other

members of Vestry. If we think about the gifts we all have individually and bring them together collectively, imagine what energy and new life we can infuse into our parish. Next Sunday, February 23rd, once again we will come together as the people of the Parish of St. Philip's to shape the life of our parish for 2020. It's the one thing Anglicans do very well, coming together to talk about church life. In the week to come I want you to think about the God-given gifts that you possess (and you have them) and how you might share those gifts with our parish. We live in challenging times, and, unless we are willing to involve ourselves in the ministry of the church, and make ourselves relevant to the wider community, the long-term future of the church is not guaranteed. God gives us these gifts for a purpose, and, if we fail to use them then that is most unfortunate for us and for the church, we are poorer for it. Together we can make our Anglican Church alive and vibrant, alone we will fail to be what God intends us to be. Next Sunday join us in fellowship for the pot-luck lunch and then join us for the annual meeting. Consider offering yourself to serve on Vestry as we will need to select a warden and three other members. Even if serving on Vestry is not something you would like to do we would still like to hear any suggestions you might have to enrich our parish, so please come along and give us your input.

(Rev. Randy)

Notes

We welcome into the church and into the family of God, through the sacrament of baptism *Clark Barry Kevin Noseworthy*, infant son of Ashley and Michael Noseworthy. We are pleased to welcome the whole family this morning and invite them to join with us regularly in worship and parish life.

Lent will be here in about 1 week! It seems like Christmas was just here and now we are already thinking ahead to Lent & Easter. We begin our Lenten journey on Ash Wednesday, Feb. 26th, with our service of Ashes & Holy Eucharist. Following that we will have our mid-week Lenten service every Wednesday at 7:00 pm. This year we will follow a program called *The Parables of Lent*. We hope you will journey with us through Lent.

Additional Sides persons are needed! Currently we have about 5 teams that alternate, which means each group is on duty one week out of 5. A couple of the teams need additional help because their numbers are smaller. Duties include greeting parishioners and visitors on Sunday morning, raising and taking down the flags, passing out service books and bulletins, taking up the offering, ringing the bell, etc. If this is something you would consider doing please speak to Rev. Randy. Youth are also invited to be a part of this important ministry.

Invitation to be part of our Mission Team. As we enter into a new year (2020) we are going to make mission a big part of our congregational development. As the diocese of Eastern Newfoundland & Labrador continues to emphasize the need for parishes to do some work in the area of mission, it is suggesting that every parish institute a mission team with goals and objectives to enable growth, including spiritual growth and renewal. If you have an interest in being part of this team we would love to have you join with us.

Next Sunday has been designated as *Mission Sunday* throughout our diocese. In this time of intense mission emphasis in all of our parishes we are asked to reflect and pray for the mission of the church, not only our buildings but how we can make the church more relevant to the community around us. It is a time when many parishes are struggling to survive financially, so we have to think about how we can better use and share our resources for the greater good. Please join with us in making our parish mission-minded and outward looking.

Please remember your Queen's College appeal envelopes that were included in last Sunday's bulletins. Your support will be much appreciated by the college as it continues to offer theological education and training for people seeking ordination or simply to help them in parish lay ministry.

Pot-luck congregational lunch next Sunday if you plan to attend simply bring along something, casserole, dessert, etc. and join with us. The annual meeting of the parish will follow the lunch, and you are invited to join us for that also.

St. Lawrence Anglican Church in Portugal Cove will be hosting a Gospel Music Hour (February 23rd). Hosted by their band, Jacob's Passage, admission is free with an opportunity for a free-will offering. Music starts at 7 pm. Everyone is welcome!

Envelope boxes are still available for pickup in the foyer. Most of them are already taken but there are still some. If there are any there belonging to your family or neighbors please deliver them. If you did not receive your box of envelopes, or you are new to our parish and would like a box, we have plenty. Call our Envelope Secretary, Charlie Gosse at 895-0585 or the parish office at 895-0715.

We need to increase our regular envelope offerings in 2020. Of course we were able to meet our 2019 parish budget, however, our regular envelope offerings were slightly lower than we had budgeted at the beginning of the year. We would like to see many more of our congregational members that did not contribute anything in 2019 to consider doing so this year. Thankfully we had an excellent year with rentals from the Canon EB Parish Centre which is a big chunk of our annual income. We must get our regular offerings up because we may not always have this rental income to depend upon. We encourage those who are not currently contributing to consider doing so, and, more than that to get involved in our parish life.

PORUGAL COVE ST PHILIPS LIONS CLUBS SPEAK OUT CONTEST Open to all level 1, 2 or 3 students who are residents of Portugal Cove St. Philips. January financial statements are available at the back of the church. Vestry determined earlier that the weekly financial updates in the bulletin don't really give an accurate picture of the revenue and expenditure of the parish monthly. It was decided that a more detailed report would be given once a month following the regular meeting of Vestry. At Tuesday's meeting it was decided that we should provide, to the congregation, the same report as is provided to Vestry each month with all revenue and all expenditures. Please note that not all monies that come in weekly are applied to parish operational expenses, such as PWRDF and Queen's College, as these are flow-through offerings for specific purposes, and are forwarded entirely for their specific purpose. These offerings are also vital to receive as they are for mission and theological training beyond our own parish, so please do continue to support PWRDF and Queen's College. If you would like to be informed on the finances of the parish monthly please take a statement from the back. Please note that our expenses exceeded our revenue in January, mainly because of weather and the fact that January typically is a slower month.

Stewardship thought for the Week

**"Choose rather to want less,
than to have more"!**

Vestry financial reports will now be provided in the bulletin on a monthly basis rather than weekly. This report will be given on the Sunday following each vestry meeting and will be for the previous month.

Please keep our building secure. We have had no major security issues, but from time-to-time it is good for us to remind everyone entrusted with a key to the building that it is the responsibility of that person to safe guard the key, and to ensure the key is never given to any unauthorized person. Please ensure that all lights are turned out, the door securely closed and locked. If a person receives a key for a specific duty and that person is no longer in that role the key must be returned so it can be given to the new person in that role.
